ANSWERS TO YOUR BIBLE QUESTIONS

QUESTION:

\*\*\*\*\*\*\*\*\*\*\*

abuot the "Thief on the Cross" Jesus told him, "Today shalt thou be with me in paradise" [Luke 23:43]. If he could be saved without being baptized, why can't I be saved the same way?

**Bob Prichard** 

There is no doubt in our minds that the man we know as the "Thief n the cross" was saved by Jesus. He demonstrated to Jesus that he was truly penitent, and recognized Jesus as one who would soon have a kingdom. The question then, is whether or not he provides an example that we may follow to be saved.

What we find, however, is that he lived at a time when God's conditions for salvation were completely different than they are for us now. The penitent thief lived during the earthly ministry of Jesus, before the new covenant, or will, of Christ came into effect. For a will to come into effect, the testator (person making the will) must die. Thi is what the writer of Hebrews meant in Hebrews 9:16-17, "For where a testament is, there must also of necessity be the death of the testator For a testament is of force after men are dead: otherwise it is of no strength at all while the testator liveth." Thus the "Thief" was saved

before Christ died, and before his will went into effect. During the earthly ministry of Jesus, He forgave many people of their sins, under whatever conditions He saw fit to do so. Before He healed the palsied man of his physical disease, Jesus said to him, "Son, be of good cheer; thy sins are forgiven" (Matt. 9:2). After a sinful woman showed her love for him by washing his feet with her tears and wiping them with her hair, "Jesus told her, "Thy sins are forgiven" (Luke 7:48). These cases are similar to the "Thief," because Jesus saved them without baptism. But the key is, they were also saved before His death -- before his will, the new covenant came into

Consider it this way. Suppose you were to write to the Internal Revenue Service that you were not going to file your income taxes any more because you know that Abraham Lincoln never filed his income taxes, and he is considered to be a loyal citizen. Would they accept this? Of course not. Lincoln lived long before our laws for filing income tax came into effect, so he was not bound by them.

It is very clear that baptist is part of the new covenant or "will" of Christ. After His death, before His ascension, Jesus commissioned His disciples to preach the gospel to every creature, saying "He that believeth and is baptized shall be saved" (Mark 16:16). Every single account of conversion in the book of Acts (which describes events under the new covenant, after the death of Christ), mentions baptism. When Peter told the multitude at Jerusalem, "Repent and be baptized every one of you in the name of Jesus Christ for the remission of sins' Acts 2:38), he was following the command of Christ.

Ever had one of those days when there weren't enough hours in the day to get everything done? Well, last week I had one of those days that lasted all week in Elba. week long, as I put in five busy days at work and then covered basketball games every night but one, when I had to work late at the office. If you don't like being bored, a newspaper office is a good place to work!

### ELBA TIGERS CONTINUE TO PILE UP WINS

Coach Hank Kennedy's Elba Tigers hit the court three times last week and pocted two wins to up their record to 7-2. The Tigers' wins came over Area rival Pike County and 6A county foe Enterprise, while the loss came at the hands of Opp. There were a lot of disappointed fans leaving the gym after the loss to Opp, but sometimes it takes a loss to make a team realize career high 40 points, but it wasn't to lead Elba, while Russ Atkins what it takes to win consistently. I hope the Tigers don't forget the pain of losing, and remember that feeling right before every game the rest of the were defeated by the Opp Bobcats scored 28 to lead Opp.

Elba didn't play real well last week, despite the two wins, but a bright spot in the games was the play of center Kevin Goosby, who scored a total of record to 7-2, while the win upped 109 points and pulled down 47 rebounds in three outings. Goosby is a the Bobcats' slate to 7-4. multi-talented player who has the ability to dominate a game, and he showed last week just how good he can be. I hope Goosby will continue to improve press to open the game and pulled and continue to lead the Tigers to many more wins!

### A QUICK TRIP AROUND THE COUNTY

The high school basketball season continued to be interesting around the by Russ Atkins, caught Elba late in county last week as Zion Chapel grabbed the spotlight with upset wins over the stanza and finished with a flurry Bobcats 44-38. The Alabama High School Athletic Association announced recently it had once again changed the format for its annual high school basketball ournament, with the latest plan calling for Classes 1A-2A-3A to play at Auburn, and Classes 4A-5A-6A to play at the University of Alabama. ## ELBA TO HOST COUNTY JUNIOR HIGH TOURNEY

The Elba Athletic Club will host its second annual Coffee County Junior High Basketball Tournament next week and I urge all local basketball fans to come out and help make the event a success. The Athletic Club revived the county tournament last year it drew big crowds and enabled the club to install a public address system in the gym. The PA system is used at all events in the gym and is a valuable addition, as everyone who has heard the system will agree.

The purpose of the tournament is not to make a lot of money - it's to let all the teams in the county come together and compete for the title of county champ! Please come out and show your support at all the games; it will mean a lot to the players and to the success of the event.

## FOOTBALL BANQUET SET FOR FEBRUARY 6

The annual Football Awards Banquet will be held next Thursday evening (Feb. 6) at the Elba High cafeteria, and it should be another outstanding affair.
